## ABOUT THE EVENT

Discover the wonders of the Northwest Territories (NWT) in our upcoming attraction webinar. The Northwest Territories lie northwest of central Canada, bordered to the east by Nunavut, to the west by the Yukon and to the south by the northeastern corner of British Columbia, as well as the entire northern borders of Alberta and Saskatchewan. Living in the Northwest Territories is unlike any other place in Canada - the opportunities are boundless. Folks in the NWT enjoy a laidback lifestyle with amazing weather, excellent career opportunities, and short commutes. Some facts about the NWT include:

- Yellowknife - the capital of the NWT, enjoys more sunshine than any other city in Canada.
- The Northwest Territories has 11 official languages.
- The Dehcho region is home to a total of 19 known hot springs, some of which can reach over 30 degrees.
